

HUNAN LIANYUAN IRON & STEEL CO. 連鋼

Hunan Lianyuan Iron & Steel Co., Ltd. (referred to as LY Steel), located in Loudi City, Hunan Province, is a key enterprise under Hunan Iron & Steel Group Co., Ltd. The company is equipped with a full range of modern technological facilities, encompassing coking, sintering, steelmaking, rolling, processing, and distribution.

LY Steel is recognized as a global manufacturing hub for high-end medium and thin gauge heat-treated sheets. It is also a national high-tech enterprise, hosts a national postdoctoral research workstation, and serves as a State Council scientific reform demonstration enterprise.

The company's main products include hot-rolled coils, cold-rolled coils, medium and thick plates, and wire rods, which are widely used in construction, automotive, home appliances, and machinery manufacturing industries. Leveraging the technological and resource advantages of Valin Group, LY Steel continuously improves production efficiency and product quality, maintaining strong competitiveness in both domestic and international markets.

湖南華菱連源鋼鐵有限公司，簡稱「連鋼」，位於湖南省婁底市，是湖南鋼鐵集團有限公司旗下的重要骨幹企業。公司配備了現代化完整的生產設施，涵蓋焦化、燒結、煉鋼、軋鋼、加工及物流配送全流程。

連鋼被公認為高端中薄規格熱處理鋼板的全球製造中心，同時亦是國家高新技術企業，設有國家級科研工作站，並被列為國務院科技體制改革示範企業。

公司的主要產品包括熱軋捲、冷軋捲、中厚板及線材，廣泛應用於建築、汽車、家電及機械製造等行業。依託華菱集團的技術與資源優勢，連鋼持續提升生產效率與產品品質，在國內外市場均保持著強勁的競爭力。

GONMO 鋼謀

GONMO International Trading Limited, headquartered in Hong Kong, is a leading global supplier of premium steel solutions and serves as an official international trading arm and strategic distribution partner of Hunan Lianyuan Iron & Steel Co., Ltd. (referred to as LY Steel). GONMO plays a pivotal role in LY Steel's global outreach—leveraging LY Steel's world-class manufacturing capabilities, extensive certifications, and advanced technological infrastructure. Through this close partnership, GONMO sources and delivers LY Steel's high-performance steel products to international markets across Southeast Asia, the Middle East, Africa, South America, and Russia.

The company specializes in supplying high-strength, wear-resistant, weather-resistant, acid-resistant, and automotive-grade steel, supported by a reliable global supply chain and advanced processing capabilities. GONMO's commitment to quality, innovation, and customer service ensures it remains a trusted partner to industries seeking superior steel solutions for infrastructure, energy, automotive, and machinery applications.

鋼謀國際貿易有限公司總部設於香港，是全球領先的高端鋼材解決方案供應商，同時亦是湖南華菱連源鋼鐵有限公司，簡稱「連鋼」，的官方國際貿易部門及戰略分銷合作夥伴。鋼謀在連鋼的全球拓展中發揮著關鍵作用——憑藉連鋼世界級的製造能力、廣泛的認證以及先進的技術基礎設施。透過緊密的合作關係，鋼謀採購並供應連鋼的高性能鋼材產品，銷往東南亞、中東、非洲、南美洲及俄羅斯等國際市場。

公司專注於提供高強度、耐磨、耐候、耐酸及汽車級鋼材，並依託可靠的全球供應鏈及先進的加工能力。鋼謀秉持對品質、創新及客戶服務的承諾，持續成為基建、能源、汽車及機械等行業優質鋼材解決方案的可靠合作夥伴。

SERVICES 服務

GONMO delivers comprehensive services that go beyond steel supply, ensuring clients receive tailored solutions for every stage of their project. Our steel processing and customization capabilities include precision cutting, shaping, surface treatments, and specialized coatings to enhance corrosion resistance and durability, as well as tailored grades and dimensions to meet unique application requirements. Complementing this, our global logistics and supply chain management services provide end-to-end distribution support, covering inventory management, international shipping, and customs clearance to ensure seamless delivery worldwide. In addition, GONMO offers dedicated technical support and consulting, from expert guidance on material selection and engineering consultation for specialized applications to strict quality assurance and compliance with international standards. Together, these integrated services enable us to provide clients with reliable, efficient, and innovative steel solutions across industries.

鋼謀（GONMO）提供全面的服務，超越單純的鋼材供應，確保客戶在專案的每一階段都能獲得量身訂製的解決方案。我們的鋼材加工與定制能力涵蓋精密切割、成形、表面處理，以及專業塗層，以提升耐蝕性與耐久性，同時可依據獨特應用需求提供專屬鋼種與尺寸。除此之外，我們的全球物流與供應鏈管理服務提供端到端的配送支持，涵蓋庫存管理、國際運輸及報關服務，確保鋼材順暢交付至世界各地。鋼謀還提供專業的技術支持與諮詢服務，從材料選擇指導、鋼材應用工程諮詢，到嚴格的品質保證與國際標準合規，均一應俱全。這些整合服務使我們能為各行各業的客戶提供可靠、高效且具創新性的鋼材解決方案。

VISION 願景

To be the global leader in supplying advanced steel solutions, driving sustainable innovation and empowering industries worldwide.

成為全球領先的高端鋼材供應商，推動可持續創新，賦能全球產業發展。

MISSIONS 使命

Deliver high-quality steel solutions that exceed customer expectations

提供超越客戶期望的高品質鋼材解決方案

Advance green manufacturing practices to promote global sustainability

實現綠色製造，促進全球可持續發展

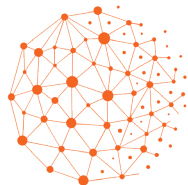

Foster innovation through cutting-edge technology and research

通過尖端技術和研發推動創新發展

GLOBAL PRESENCE & PORTFOLIO 全球業務與產品系列

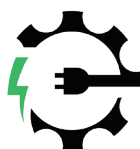

LY Steel serves domestic and international markets, delivering advanced steel solutions to industries across 60+ countries, with Southeast Asia, the Middle East, Europe, and the Americas as key hubs. All supplied grades conform to GB/T, ASTM, EN, and JIS standards for seamless qualification in global projects. The product portfolio comprises 600+ featured products spanning cold- and hot-rolled automotive steels, engineering-machinery steels, and home-appliance steels. In China, LY Steel ranks No. 1 by market share in engineering-machinery steels, wear-resistant steels, and hot-rolled grain oriented silicon steel.

漣鋼深耕國內外市場，為逾60個國家的產業提供高端鋼材解決方案，重點市場涵蓋東南亞、中東、歐洲及美洲。所供鋼種全面符合 **GB/T、ASTM、EN、JIS** 等國際標準，便於全球專案合規採用。產品體系已形成冷、熱軋汽車用鋼、工程機械用鋼、家電用鋼等600餘個特色產品；其中工程機械鋼、耐磨鋼、熱軋取向矽鋼在國內市場佔有率位居第一。

KEY SUSTAINABILITY ACHIEVEMENTS 可持續發展成就

LY Steel is committed to green manufacturing, implementing innovative technologies to minimize environmental impact
漣鋼致力於綠色製造，採用創新技術，最大限度減少環境影響

Energy Efficiency: Increased self-generated power by 359.3 million kWh annually, equivalent to powering an electric train for 35.93 million miles, equivalent to 1,442 trips around the Earth

能源效率：每年增加自發電量3.593億千瓦時，相當於為電動列車提供3,593萬英里的行駛電力，相當於繞地球1,442圈

Water Conservation: Saved 135,500 tons of water annually, enough to fill 54 Olympic-sized swimming pools

水資源保護：每年節約13.55萬噸水，相當於填滿54座奧運標準游泳池

Waste Heat Recovery: Harnessed sintering waste heat to generate electricity, improving power plant efficiency

餘熱回收：利用燒結餘熱發電，提高電廠效率
